

**CALIFORNIA PARTICIPATING ADDENDUM
WESTERN STATES CONTRACTING ALLIANCE (WSCA)
WIRELESS EQUIPMENT AND SERVICES
SPRINT SOLUTIONS, INC.
MASTER PRICE CONTRACT
CONTRACT #7-10-70-15, AMENDMENT #4**

1. Scope:

This WSCA Participating Addendum ("Participating Addendum") between Sprint Solutions, Inc., on behalf of its affiliated entities providing the products and services ("Sprint" or "Contractor" or "WSCA/WP") and the State of California ("State") covers the purchase of Wireless Services and Equipment for all State departments and may include all California political subdivisions/local governments. "State department" for the purpose of this participating addendum refers to any entity of the executive branch of California government including, but not limited to agency, department, board, commission, office, association or institution. A "California political subdivision/local government" is defined as any city, county, city and county, district, or other local governmental body or corporation, including the California State Universities (CSU) and University of California (UC) systems, K-12 schools and community colleges empowered to expend public funds. Each political subdivision/local government should make its own determination whether the WSCA program is consistent with its procurement policies and regulations. "Eligible Entity" for the purpose of this Participating Addendum, unless otherwise specified includes State departments and California political subdivision/local governments as defined above.

The California Participating Addendum for wireless services and equipment is designed to take advantage of the WSCA Master Price Agreement No. 1523 ("WSCA Nevada" or "WSCA Price Agreement") volume purchasing to develop a wireless (voice and data) services and equipment offering unique and specific to the California State's wireless business needs with respect to lowest costs and optimum operational efficiencies.

Consequently, the pricing for the service plans, features and equipment offered by the WSCA Wireless Provider (WSCA/WP) under this Participating Addendum are based on California's governmental department workforce and average monthly data usage per end user at the time of the initial request to all WSCA/WPs for California participation.

At that time the State of California's governmental department workforce was approximately 200,000 employees with an average monthly data usage of less than 500 MB per California department end user.
